## Historical Note

The Texas College of Osteopathic Medicine accepted its first students in 1970. In 1975, TCOM came under the umbrella of North Texas State University, which later evolved into the UNT System that now

includes campuses in Denton and Dallas. With the establishment of the Graduate School of Biomedical Sciences in 1993, TCOM expanded into a graduate university with multiple colleges and changed its name to the University of North Texas Health Science Center.

**Restrictions:** The collection is open for research. The collection is non-circulating and can be viewed by appointment.

**Provenance:** The collection consists of documents created or gathered by the faculty, staff and students of the University of North Texas Health Science Center or the Texas College of Osteopathic Medicine and therefore are a part of the Health Science Center history.
